3 PLY DISPOSABLE MASK

ITEM # MASK01

These masks are perfect for civilian use and can be used for grocery shopping, a day at the playground as well as going to the office and daily commutes.

The face mask consists of high-quality nonwovens and comes with comfort, softness and excellent breathability. Adjustable nosewire, it fits any face shape perfectly.

The 3 layers of splash proof filters protect you from viruses, dust, ash, pollen, fine dust, and car exhaust fumes and thus effectively protect your lungs.

Material:

Outer layer 25gsm: Non-woven fabric (spunbonded polypropylene)
 Middle layer 25gsm: Melt-blown nonwovens fabric
 Inner layer 23gsm: Non-woven fabric (spunbonded polypropylene)

Meltblown PU provides superior filtration · Antibacterial inner filter provide clean air · Hypoallergenic soft surface layers prevents skin from allergy · Low breathing resistance · Moisture resistance · Latex Free · Disposable · Fiberglass free

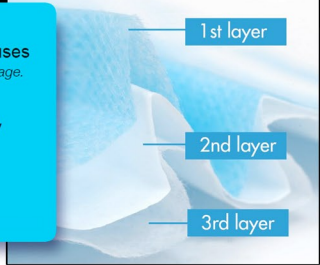

We recommend a max. usage of 4 hours per day.
